### **Spreading Love at the Guashan Court Auction Bazaar**

The Changhua Branch, Administrative Enforcement Agency, Ministry of Justice (hereinafter referred to as Changhua Branch) will hold its tri-monthly "Guashan Court Auction Bazaar" again on October 3, with a centralized auction and sale of movable assets to be held from 9:00 a.m. onwards in the parking lot next to the Local Tax Bureau, Changhua County. This time, a special "Love and Blessing Charity Sale Area" will be set up, in which colleagues of the Changhua Branch will voluntarily donate items in good condition to be sold at the event venue, and all proceeds from the sale will be used to care for the elderly during the Double Ninth Festival, allowing people to collect bargains and spreading love ceaselessly to every corner of the city.

With love as the theme of this Court Auction Bazaar, in addition to upholding the idea of showing compassion for the suffering of the people and standing together with debtors who

are unable to pay their outstanding taxes, we also have invited an old friend of the Changhua Branch, the Changhua County Private Ci Sheng Mercy Home, to set up a booth and sell handmade baked goods made by the children of the home. We welcome all neighbors and visitors to take a piece of baked goods that encourage the integration of the residents and their return to society, and hopefully, everyone will leave the market with a special impression and a unique feeling.

In addition, the Guashan Court Auction set up a special "Love and Blessing Charity Sale Area", where items were donated by the staff members and volunteers of the Changhua Branch, including HELLO KITTY microwaveable lunch boxes, stainless steel steaming pots and pans, black crystal non-stick multi-purpose pots and pans, commemorative medals for the Year of the Horse, and antimicrobial hand sanitizers, which were all of high quality and at reasonable prices. There was even a brand new international brand electronic thermal water bottle, with a market price of NT\$2,500 (the same below), but the charity sale price is just NT\$1,350; the original price of more than NT\$5,000 Philips air fryer, because it was only used once and then put back in the box, one can take it home at half price of NT\$2,500. Using an air fryer to cook is a better way than traditional deep-frying to reduce the intake of excess oil and fat, and to make the most delicious and healthy snacks and meals for your family. While people are snapping up the special offer, they can also let love spread with the Changhua Branch.

The Changhua Branch has always adhered to the philosophy of "enforcement with love and justice without obstacles" in its enforcement operations. In addition to assisting debtors in clearing their outstanding taxes and fees through legal auctions and sales after seizure, and turning justice and care into practical actions to help disadvantaged debtors tide over difficult times, the proceeds from the "Love and Blessings Charity Sale Area" will be used to care for the elderly on Double Ninth Festival. We invite you to join us at the Guashan Court Auction Bazaar on October 3 at 10:00 a.m. to snatch up special offers and share the love and care.
